

Submitter: Melissa Milewski

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB2953

I support removing the percentage cap on the amount of money given from the State school fund to school districts for students eligible for special education. Oregon has one of the lowest caps in the US and this has not been revisited since the 1990s. In our West Linn-Wilsonville School district, this causes significant funding issues for the district. Please fully fund special education without caps.
