

Submitter:	Janet Steele
On Behalf Of:	Albany Area Chamber
Committee:	House Committee On Labor and Workplace Standards
Measure, Appointment or Topic:	HB3838

The Albany Area Chamber opposes HB 3838. Allowing an independent committee to regulate wages, benefits, hours, etc. is another overreach by government to control independent businesses and their relationships with their employees. Oregon already has some of the strongest labor protections and laws in the country. We do not need another group telling businesses and their employees what they must do. Let's stop this interference with the employer/employee relationship.

We ask that you Vote No on HB 3838.

Thank you.
