Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

Dear Oregon Representatives, Everyday people are at risk of food insecurity. The majority of these people lack the financial resources to eat enough nutritious food. The state of Oregon should be able to supplement the nutrition of all at risk individuals using our tax dollars. Without your help, the number of people who struggle with food inequality will only grow. Please work so that everyone has enough food. Sincerely, Grace Kemp
