Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health
and Health Care:

My name is Casey Sims and I am a LCSW. I have been as a full therapist since 2017
with clients throughout the state of Oregon. I am writing this letter in support of
HB2029. Insurance audits are abusive and unfair and limit access to care to the
people of Oregon. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,
Casey Sims
