

Submitter:

Laura Gordan

On Behalf Of:

Committee:

Senate Committee On Human Services

Measure, Appointment or Topic:

SB611

As the walls of this country crumble under the new administration, my heart is lifted at the prospect of this bill. I work with immigrants. With the sweet innocent children and their families who have come seeking safety and a better life for their families- just like my great, great grandparents did- just like the ancestors of the vast majority of people who live in this country now. I wholeheartedly support this bill and urge you to make it a reality- please.
