Measure, Appointment or Topic: HB3470

Please vote in favor of HB 3470. It is crucial that we take steps to restore confidence in Oregon's electoral system, and this bill is a positive step in that direction. Many Oregonians, myself included, feel disenfranchised when our votes are diluted by non-citizens participating in elections. Supporting HB 3470 is a vital action to protect the integrity of our democracy. The voter roles in Oregon have been proven, very accurately, to be full of fraud and need to be completely redone and restarted afresh. We need to bring the word "integrity" back into Oregon, and this is a good step in the right direction.
