

Submitter: Oriana Riki

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB2851

We need expansion of our democratic right to protest and organize, NOT restriction of it in exchange for more power for state and law enforcement agencies. I urge you to vote no on this bill. Trump is already attacking our few democratic rights from Washington, we do not need oregon to help with his campaign of repression and falsely labeling ordinary people who fully exercise their democratic rights as terrorists!
