

Submitter: Adriane Knorr

On Behalf Of:

Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB1174

I fully support this measure. I work with a CNS who is brilliant & knows way more than other RDs I've worked with. These degrees did just as much work as the currently licensed nutritionists/dieticians and they deserve to be licensed. They deserve to be able to get coverage from insurance which comes with passing this bill.
