To Whom It May Concern,

Writing you as the line Producer of a \$10,000,000.00 film that was written and targeted for the South East USA,.... We were so vastly impressed by Tim and your staff at the Oregon Film Office that we changed course and brought our project to Oregon. Truly one of the top three film offices in the entire country, and trust me I've experienced most of them in my 35 years.

Congratulations to you, and keep up the positive economic development efforts, Jeff
