Measure, Appointment or Topic: HB2548

It is imperative that you vote NO on this bill as it would only cause more hardship for our Oregon farmers, who are already incredibly taxed and regulated. Our food supply depends on farmers thriving. If this bill is passed, more farms will shutter and that will have a negative impact on us all, not just here in Oregon, but across the world. Beware the unintended consequences of the harm this bill would cause. Do what is right for farmers and our state economy, and vote NO.
