

Submitter: danny Adzima

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee
On Education

Measure, Appointment or Topic: SB5516

I am a proud public school graduate from the Hillsboro School District, which is in Co-Chair Sollman's senate district. It is increasingly important to ensure that our Oregon public schools are not a political bargaining chip from the federal government. Supporting and supplementing Oregon public schools will allow for vital student services to go undisturbed. Thank you so much for your great work. Please vote yes!
