Measure, Appointment or Topic: HB2448

I am writing to voice my strong support for HB 2448.

As districts across the state face large budget cuts, this bill could make an immediate difference and ease budget shortfalls. This bill calls for an increase in funds to the High Cost Disabilities Account which will help cover necessary and important SPED services. Oregon needs to fully fund SPED services so that all students in Oregon receive the services and education they are legally entitled to and deserve. Thank you for your consideration.
