

Submitter: Suzanne Fernstrom

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

To Whom It May Concern,

Please don't invest further in fossil fuels and unsustainable forms of energy. We especially as Oregonians, blessed with such natural beauty, can't afford to propagate such companies. Climate Change is going to destroy us if we don't drastically invest in sustainable energy to combat it. I am in support of SB 681, and I hope that's how you will vote as well. Thank you for your time.

Sincerely,

Ms. Fernstrom
