Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Holly Milligan and I am a certified pediatric nurse practitioner. I own a practice in Bend, Oregon and serve children and their families through telehealth for all of Oregon and house calls in Central Oregon. I have been practicing for 5 years.

I am writing this letter in support of HB2029. Insurance audits are abusive and unfair and limit access to care to the people of Oregon, and the whole reason I got into healthcare is to increase access. Please help stop this practice.

Thank you for supporting this bill.

Respectfully,  
Holly Milligan, CPNP-PC, MSN, RN
