Measure, Appointment or Topic: HB3075

Dear Members of the House Judiciary Committee,

I am writing you in strong opposition of HB 3075. Considering what law-abiding citizens of Oregon just went through regarding Measure 114. I feel that this is not a good use of public resources and puts the state in a position for further litigation. This bill is fundamentally flawed and does not move the needle when it comes to public safety. We all want to save lives; that being said, Oregon gun owners deserve the right to have a seat at the table, especially when we are the ones who face criminal penalties. We are not the ones who commit gun crimes. We are your friends, we are your family members, and we are your neighbors. Please, do not punish the over 99.6% of Oregonians who did NOT commit a crime with a gun. Do the right thing and do not pass this piece of legislation. Thank you!

Sincerely,
Derek LeBlanc
