Measure, Appointment or Topic: HB3075

I am a lifetime Oregon resident and strenuously object to this piece of legislation that is a carbon copy of the unconstitutional Measure 114.

I am sickened at the actions of the Democrat Supermajority to trample on our God given constitutional right to bear arms in this country and this state. It never ends and you will obviously stop at nothing to keep stripping us of our rights.

This bill spits in the face of Oregonians, established US Supreme Court rulings, and the constitution of the United States. You know this will be taken to court and you are happy to spend tax our payer money to defend it. I'm sickened by your policies and abuse of your fellow Oregonians.

Stop this piece of unconstitutional legislation now.

Don Denning.
