

Submitter: Brian Weinhold
On Behalf Of: Brian Weinhold
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

Get off of my rights! This is absolutely garbage and doesn't stop the people that intend harm on us. It's not law abiding citizens and you know it. The aim is to take away our right to bear arms and everybody can see it clearly. I'm not going to keep typing because you don't give two shits what the actual citizens want. You're just doing whatever you want to do independent of the constituents wishes. GARBAGE!
