Care

Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the House Committee on Behavioral Health
and Health Care:

My name is Katie Johnson and I am a LCSW. I am a therapist in Canby area of
Oregon and have been practicing for 4 years.

I am writing this letter in support of HB2029.

Insurance audits are abusive and unfair and limit access to care to the people of
Oregon. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,

Katie Johnson
