Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I support the Pause Act - SB 681.

I am an Oregon resident and taxpayer, but our family benefits from a university Public Employee Retirement System that decided not to invest in fossil fuels -- because it is a good investment strategy, because its what a rational actor should do in a time of rising GHG levels in our atmosphere, and because it lets us move forward wholeheartedly towards a more enjoyable, sustainable world. Thank you.
