

Submitter: Eric Evans

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I STRONGLY OPPOSE 3075. That 'judge' doesn't know that Constitutional inherent "Rights" aka birth right can not be altered due to 'his opinion' -? It's a RIGHT and we are sick of supposed judges who are paid off trying to alter an inherent Constitutional RIGHT. This judge should remember his Oath.

Eric Evans
