Measure, Appointment or Topic: HB3075

Dear Legislators,

HB 3075 is a terrible idea! It is simply absurd and ridiculous, and is apparently intended and written to simply infringe horribly upon the rights of all Oregonians under the 2nd. Amendment of the Constitution of the United States, which, as the law of the land, takes precedence over state law.

It forces citizens to get permission to exercise a God-given and constitutionally protected right. No other right enumerated in The Bill of Rights requires that citizens first get a permit before they can exercise a right! NOT ONE!

Now I am absolutely convinced that every one of you legislators can read. No question about that. I am also of the opinion that most, or, (as it should be,) all of you have read the U.S. Constitution. In case someone has forgotten, the 2nd. Amendment reads: "A well-regulated militia being necessary to the security of a free state, the right of the people to keep and bear arms, shall not be infringed." INFRINGED essentially means "interfered with!"

Well, if HB 3075 is not a bald-faced infringement, I'll eat an alligator and start now!

This has no business whatsoever in the State of Oregon. Please stop consideration of HB 3075 at once!
