

Submitter: Jim and jane pittenger

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

We are dedicated to limiting the damage from climate change caused by fossil fuel use, and urge you to support SB 681 that prohibits the State Treasurer investing in funds that invest in fossil fuel operations. Future generations will suffer for the preventive actions we do not take now. Please support SB 681. Thank you
