

Submitter:

Dave Pick

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

Shall not be infringed is pretty clear! Criminals DO NOT follow the law. The only thing gun laws do are turn law abiding citizens into criminals and chips away at our rights to protect ourselves and our families. DO NOT PASS THIS BILL!!!! At the same exact time Oregon is trying to make things easier for sex offenders! Absolutely ridiculous.
