

Submitter:	Russell La Barr
On Behalf Of:	
Committee:	House Committee On Labor and Workplace Standards
Measure, Appointment or Topic:	HB2548

All you have to do is see all of the opposing testimonies from people that will be affected by this bill to know its not positive. However, time and time again government committees think they know more than those on the ground. Maybe after they pass this bill they also pass the resolution for Greater Idaho so these farmers can live again.
