On Behalf Of: Freedom  
Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

Please don't make me and many many other law abiding citizens criminals. Lots of good people aren't going to know about this new law. And those that know," When injustice becomes law, resistance becomes duty,"  
Please don't put people the position to choose morality vs law.

This will drive legal gun sales underground  
This will drive super duper capacity magazine sales underground.

This is a bad idea, but my words will fall on deaf ears, as I do not believe I am represented in Oregon's state government

Thank you, in case anyone "who matters" reads this
