Committee: House Committee On Emergency Management, General  
Government, and Veterans

Measure, Appointment or Topic: HB2200

Chair Tran, Vice Chairs Lewis and Grayber, Committee Members,

I have lived, played, worked, and payed taxes in Oregon for my entire life, I support HB 2200 with -1 amendments.

The bill with -1 amendments creates the framework of a balanced approach to environmental impacts to the beneficiaries funds. The -1 amendment contains reporting requirements that will be helpful for auditing and making adjustments as needed to meet all goals.

I urge you to support the -1 amendment for HB 2200.

Thank you.
