House Judiciary...

We have more guns in Oregon than we have Illegals in this Sanctuary State. Oregon has more deaths by Fentanyl... than murders (much less with guns). Seem to remember released criminals.... are prolific repeat offenders (what is public safety about)?

Oregon's Sancturary State harbors Cartels running slave camps, human sex trafficking and drugs.

End result is increases of street crimes.

HB 3075 is yet another assault on good citizens while you have made laws like SB 1510 to hamstring police...

Your Sanctuary State has people intimidated to go out in the woods due to criminal trends.

To Pass HB 3075 would be another assault on liberty while you and criminals attempt to violate our security.

YOU CAN'T STOP CRIME AND YOU WILL NEVER STOP CITIZENS FROM HAVING GUNS.

Your call... 8 out of 10 people think the government is corrupt.
