Once again, a TOTAL WASTE of tax payer money. Unconstitutional as well. I believe 'FOOLISH' sums this up along with those that have sponsored it. I think this Bill could easily be considered RACIST as many will be at the mercy of REAL Criminals who don't bother with the Simple FACT that MURDER IS ALREADY ILLEGAL. So is ARMED Robbery and everything else CRIMINALS do with anything Firearm Related. STOP your damn ABUSE of Honest Citizens. Quit these Terribly RACIST BILLS!

SHAME on YOU PEOPLE that draft such insanity!
