

Submitter: Laura Gamari

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB2851

As per UN.org Article 12 of the Universal Declaration of Human Rights states: "No one shall be subjected to arbitrary interference with his privacy, family, home or correspondence, nor to attacks upon his honour and reputation. Everyone has the right to the protection of the law against such interference or attacks."

In all things: universal human rights or everything is bullshit.

Thank you for doing the obviously right thing and desist in deliberate attempts to exploit anyone in any way.

Intersectional solidarity,

L.
