

Submitter: Richard Fife

On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB688

Dear Representatives, Oregon PUC fails to control prices where I live; Getting their help - I have attempted and failed to get a properly evaluate of my homes use after replacing the electric resistance heating system with a high efficiency heat pump - my energy use being about the same after the replacement as before. Respectfully, R. F., Douglas County.
