

Submitter: Dennis Hebard

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

If Measure 114 was unconstitutional, (sans fake appeals court shenanigans)

It proves this will take away rights of citizens to defend themselves.

This is un American and will result in loss of constitutional guarantees.

We are a pioneering state with deep roots in hunting, I took firearm safety classes to hunt as a teen
