To the House Committee On Judiciary,

Freedom of Assembly is a key part of American democracy. We should protect people's right to protest, not intimidate and criminalize people exercising their first amendment rights.

We must repeal this bill entirely, rather than expand its powers. We are witnessing how the current administration is increasing surveillance to suppress free speech and our right to protest, while failing to protect people. Oregon should be working to counteract these actions, not further extend this extreme violation of our constitutional and human rights.

Your Constituent,

Mallory Mead
