Measure, Appointment or Topic: HB3075

I am vehemently opposed to 3075! I have lived in Oregon my entire life and have been around guns since birth. I was raised with gun knowledge and training. What this bill does is make me an instant felon. I deserve the right, which is guaranteed by the constitution to protect myself and my family. Our fore fathers were brilliant as they were able to anticipate a tyrannical government that wants total control of its people. This bill puts innocent people at risk because actual criminals don't obey laws. Essentially, this bill makes ALL innocent people fish in a barrel that are easy prey for any criminal to take advantage of. The only thing that stops a bad guy with a gun is a good guy with a gun.... Rest assured that if I or even you were in a perilous situation I would not hesitate to protect myself or you by any means necessary. I refuse to be put at risk with this egregious attempt at yet another gun grab. What you are trying to do is wrong and more importantly, UNCONSTITUTIONAL! You have been sworn to uphold our constitution and clearly your own bias had clouded your decision making. This needs to stop. I implore you to quit trying to rewrite the constitution and take away my rights and protection.
