Committee: House Committee On Labor and Workplace  
Standards  
Measure, Appointment or Topic: HB3838

This bill will cause undue hardship especially in our Medicaid funded communities will potentially cause communities to close down. The rates that Medicaid pays will not meet nor get close to the cost of what this bill will cause. I am against this bill. We are committed to providing the best care that we can for our Seniors here and across Oregon/Nation. This Bill will make it harder to operate overall in all communities.
