

Submitter: Jill Litzsinger

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

It goes against the state and federal constitution. Oregonians and Americans have the right to bear arms. There is no exceptions. Law-abiding citizens are not the ones going out and using their weapons on innocent people. So if the police cannot protect us and the government refuses to protect us oregonians and Americans are going to protect themselves. Leave our guns alone.
