Measure, Appointment or Topic: HB3076

Dear Lawmakers,

My name is Chad Kernutt and I am in opposition to this bill. What is the purpose of this bill? Gun shops already have to go through a stringent repeated process to have a FFL to be able to sell guns, they also have to go through the process of having a business license in this state. So why the extra headache and process just to be able to supply WE THE PEOPLE with self defense tools. Unless the whole point is to make it extra burdensome and cumbersome to sell firearms to encourage that kind of business in the state? Looks like one more gun control packaged effort to me. Please vote NO on HB-3076. Thank you.

Sincerely,
Chad Kernutt
