

Submitter: Rachael Nolan

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB2851

This is written citizen testimony OPPOSING HB 285. This bill is dangerous and foolish, especially when fascist politicians like Trump are weaponizing the language of "terrorism" to punish and stifle protest and free speech. I strongly encourage you to NOT approve HB 285, as a citizen of Oregon, I beg you to oppose!
