Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

To All Committee and House Members:

I would really appreciate it if all of you would consider just how and older person who cannot run away from trouble any longer, not that I ever did, is suppose to protect himself, his wife, and others from trouble from a gang of troublemakers intent on doing harm to people. Also, take into consideration that it may take more than 10 shots to protect anyone from such a gang especially since eyesight and aiming abilities may have greatly deteriorated.

Are you going to make it a law that each individual will have a qualified bodyguard at all times at us taxpayers expense?

Many years ago I was able to protect our home from invasion without anything but my physical abilities but these days that is not very likely. So how am I suppose to do my duty as a homeowner and a native citizen of Oregon.

I do not enjoy the thought of living under such despotic rule.

Thank You Dale Casey
