

Submitter: Julie Hastings

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I'm writing to you to urge you to pass HB3075-1 out of committee ASAP. I am an Oregon voter who voted for Measure 114 and we need it implemented as soon as the court lifts the stay. Permits save lives by reducing homicides and suicides. Do not delay! This is a personal issue for me. My brother-in-law was shot and killed two years ago. HB 3075-1 will help ensure a smoother and more rapid implementation of Measure 114. Please move this bill forward, so fewer families will suffer the pain that my family has endured. Respectfully, Julie Hastings
