Committee: House Committee On Labor and Workplace Standards

Measure, Appointment or Topic: HB2548

I am writing in strong support of HB 2548 to create a Farm Workers Standards Board in Oregon

HB 2548 will provide practical and equitable industry standards to prevent the?
? exploitation of Oregon farmworkers. This board will serve to enhance compliance and?

? accountability measures for employers and employees through establishing fair wages,?

? safer working conditions, and job sustainability in the agricultural sector. It is time that?

? we rightfully extend the same rights to labor protections that other industries have to?

? the agricultural workforce. Together, Oregon can protect our workers, our food, and our?

Communities.

Respectfully,
Kathleen Boylan
