

Submitter: Alex Woolery

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB2851

I am writing to urge you to oppose the terrible, authoritarian and unconstitutional HB 2851. This bill imposes heavily on freedom of speech and would be used to label anyone who dared speak up to help others falsely as terrorists. It is as outrageous as it is openly fascistic, and has no place in our state's laws.
