HB3075

I have been a responsible gun owner my entire life. Practice, teach, preach gun safety, handling, knowledge, etc. With my child. My wife and myself are concealed carry permit holders.

This is not a law that will do anything to curb gun violence in our state but instead, restricts and endangers the thousands of us responsible Oregon residents and I strongly oppose this from moving forward with its very narrow passing back in 2022.

This is a direct violation of the second amendment in my eyes and completely irrational simply because criminals by definition don't follow the laws.

Please do not punish the overwhelming majority of responsible, law abiding citizens because of the actions of few, non law abiding citizens while also putting myself, my family, and others in increased danger, especially with the response time in our rural area to begin with.

Thank you~
