Measure, Appointment or Topic: HB2851

I am writing to oppose HB 2851. We ought to repeal this bill (HB 2772) entirely, rather than expand its powers. I am deeply concerned that the current administration is increasing surveillance to suppress free speech and our right to protest, while failing to protect people. I urge all Oregon elected officials to do everything in your power to counteract these actions and protect the civil rights of ALL Oregon residents, not further extend this extreme violation of our constitutional and human rights!
