Committee: Senate Committee On Human Services

Measure, Appointment or Topic: SB611

As the daughter and sister of immigrants, I strongly support this measure. No one should go hungry just because of their immigration status. Immigrants work hard, pay taxes and are often in vulnerable positions that leave them open to exploitation. We should not make their lives more difficult by denying them food. They are just as deserving as any other resident of our fine state. Vote YES on SB611.
