A Home is Just the Beginning

TO: House Committee on Labor and Workplace Standards
FROM: Ramon Martinez
SUBJECT: Yes on HB 2548 -2

Dear Chair Grayber, Vice-Chairs Elmer and Muñoz, and Members of the Committee,

My name is Ramon Martinez, and I am writing in strong support of HB 2548 -2 to create a Farmworker Standards Board in Oregon.

There are over 72,000 Oregon farmworkers, who put food on our tables and contribute over \$6.8B to our state's economy, yet they experience poor working conditions and earn an average of just \$34,500 annually. Most farmworkers are immigrants from Mexico, Guatemala, and Central America, many of whom speak an Indigenous language.

HB 2548 -2 will give historically excluded workers their first voice in setting industry standards with real enforcement power and accountability. The board will ensure access to fair wages, safe conditions, and protection from retaliation

Cities and states across the country have proven that workforce standards boards work. These boards bring workers together with industry and public representatives to set meaningful standards, with real enforcement power to ensure accountability. From New York's farm laborers to Minnesota's nursing home staff to Seattle's domestic workers, these boards give workers the voice and protections they deserve and give our communities the essential food we need.

I urge you to vote YES on HB 2548 -2 to create a Farmworker Standards Board and give farmworkers the ability to set standards for the industry.

Sincerely,

Ramon Martinez, Communications and Advocacy Coordinator
Farmworker Housing Development Corporation
