

Submitter: Ron Gardner

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

This is a horrible piece of legislation. It is an open and blatant attack on the American constitution. We the people demand the people behind this attack be removed from office and power, immediately. It is a violation of oath of office therefore they need to be removed.

This will do nothing to stop gun violence, enforcement of currant laws will work when enforced. Stop letting the criminals walk free so you can make law abiding citizens into criminals.
