Measure, Appointment or Topic: HB3075

I worked hard for about two months collecting names in support of Measure 114. Several hundred were collected from The Dalles. I remain supportive of laws that protect people from gun violence. Measure 114 does just that, and HB 3075-1 supports Measure 114. Please add my voice in support of HB 3075-1.

Thank you,
Gretchen Kimsey
