Committee: House Committee On Judiciary  
Measure, Appointment or Topic: HB3075

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives. The leading cause of death for young people is gun violence. We need to pass common sense gun legislation and remember that the 2nd Amendment did not even consider assault style weapons that can kill many people quickly. I do not want to take guns out of the hands of hunters but I think gun owners ought to face the same scrutiny and testing regimen that young people getting their drivers licenses have to.
