Support for HB 3075

House Judiciary Committee Members:

I am writing today to support the partial implementation of Measure 114, which was passed by Oregonians a few years ago. HB 3075 speaks to the implementation of a license to purchase a firearm. It will also reinforce other technical fixes to allow law enforcement to efficiently process those permits.

Voters were clear. Please support the implementation of this Measure by passing this bill out of committee.

Sincerely,  
Faye Melius
