Measure, Appointment or Topic: HB3075

I am opposed to bill 3075, because it goes against my 2nd amendment right. The bill isn't thought out well enough to be passed. Right now there's no way to get the permit needed to purchase a firearm, therefore i will not be able to purchase one. I don't believe I should be told whether or not I can have a firearm that holds 10 rounds or more, that should be my decision.
